

SOLARA DEMO KIT ORDER FORM

**Demo kits are available for your sales people
Please use this form**

The kit includes:

1. Padded canvas bag with a pocket for your Brochures
2. 17'' X 22'' Solara demo unit with motor
3. 2 remotes
4. Color Samples
5. Both extruded and roll form louvers

This is by far the best way to show Solara in the home and to businesses. It comes with a stand so you can set it up in front of the customer, plug it in, and with the remote control show how the Solara louvers open for light and ventilation and close to shade and protect.
